

The chart displays the percentage distribution of responses for six countries. The x-axis represents the percentage from 0% to 30%, with major grid lines every 5% and minor grid lines every 1%. The y-axis lists the countries: Romania, Serbia, Ukraine, Moldova, Hungary, and Bulgaria. Each bar is composed of segments of different colors, representing different response categories. A legend on the right indicates the color scale for the percentage distribution, ranging from 0% (dark purple) to 60% (bright yellow).
